

Resolution Summary: Will keep the Catch & Release Trout Season open seven (7) days a week in the four (4) state trout parks starting on the second Friday in November through the second Sunday of February

RESOLUTION

Subject: Catch & Release Season Improvements

Resolutions Author: Ozark Fly Fishers

Committee Reporting Resolution: Fisheries

WHEREAS the changes will offer an opportunity for those who cannot participate in fishing weekends due to their jobs/professions or working responsibilities.

WHEREAS visitors from out of state, vendors, and other business travelers, who want to fish Missouri's beautiful springs, but cannot make arrangements to stay over weekends.

WHEREAS retirees and handicapped persons who will be more willing to fish during the week rather than compete with the weekend crowds.

Now therefore be it resolved that the Conservation Federation of Missouri assembled at Lodge of the Four Seasons this thirteenth day of February 2005 requests the Missouri Department of Conservation to keep the Catch and Release Trout Season open seven (7) days a week in the four (4) trout parks starting on the second Friday of November through the second Sunday of February.
